The month of October is dedicated to Our Blessed Lady

Current practice on reciting the Rosary; Monday and Saturday are dedicated to the 'joyful mysteries', Tuesday and Friday to the 'sorrowful mysteries', and Wednesday and Sunday, to the 'glorious mysteries'. Thursday to the 'mysteries of light'.

Today is World Mission Sunday and we are called to bear witness. This World Mission Sunday takes place in the context of the Year of Consecrated Life. There is a clear connection between consecrated life and mission. Since Christ's entire existence had a missionary character, those who follow him must possess this missionary quality as well.

Mission is a passion for Jesus and at the same time a passion for his people.

There will be a second collection for World Missions. Please give as generously as you can.

Work is important, but so too is rest. Shouldn't we learn to respect times of rest, especially Sundays?

Pope Francis
