Year 6 Transition to TCS

Our year 6 children who are moving on to TCS in September 2016 will be attending transition days from **Monday 11th July 2016**. Our end of term dates do not coincide with TCS. The children remain "on roll" at OLSP during transition and will have completed the statutory 190 days of education on Tuesday 19th July 2016. However TCS do not finish term until Friday 22nd July 2016. TCS have advised us that they are happy for children to "voluntarily" attend at TCS from the Weds until the Friday should they so wish.

All school reading books and library books need to be returned by **Friday 8th July** for a stock take. It will not be possible to borrow any more books after this date, so children should read books from home or the local library in the meantime. Thanks for your help with this.

New School Uniform from September 2016

As a Catholic school, we strive at all times for excellence in all things. This includes our approach to the wearing of school uniform. There are often times when we are escorting groups of pupils into and around the local area, and members of the general public stop to say how smart and well behaved our pupils are. We are very proud of that! The wearing of full school uniform is vitally important as it contributes to the strong feeling of belonging and pride for children at Our Lady and St Patrick's. After consultation with Parents via the uniform survey questionnaires, meetings with staff and children through the school council, our governing body are delighted to announce the new School Uniform Policy for September 2016.

- The major changes are that grey skirts and pinafores are to supersede the green, those already wearing items of green in older year groups may continue until the items are outgrown or their child moves through the school.
- Foundation Stage 2 and KS1 children may wear the school polo shirt throughout the year. However we would encourage KS2 to differentiate themselves with shirt and ties. We would wish that year 6 children can tie a tie before they leave! 😊
- Girls may wear sensible shorts during the summer.
- We have a new local uniform supplier who will provide quality garments at reasonable prices.

Children should have a haircut and style which is appropriate for school. Children with hair longer than collar length should have their hair tied back, with plain accessories. The wearing of jewellery, with the exception of small studs is not permitted. Watches are allowed, nail varnish or temporary tattoos are not permitted.

We are delighted that our pupils choose to wear the correct uniform and thank our parents for their tremendous support in providing a strong sense of belonging.

Art Evening

On **Wednesday 13th July**, Parents/Carers (not including Class 6) are warmly invited to come to school to view their children's art work and books at an open afternoon from 3:30pm to 5:00pm. A letter will come home soon to allow any parent that would like the opportunity to speak with the class teacher to make an appointment. Evening appointments will be available between 5:30pm and 6:30 pm.

Unwanted cuddly toys

If you have any cuddly toys that you would like to give a new home please can you bring them in to school for our Toy Tombola at the Summer BBQ. If you would like to bring them to the front office for safe keeping we would be very grateful.

A Day of Many Colours

On **Wednesday 29th June**, Classes 1 and 2 are holding a Day of Many Colours. The children should come dressed in red, green, yellow, blue or white to represent the colours of the continents.

The day is in celebration of St Peter and St Paul, who travelled around the world as missionaries - telling people about Jesus and sharing the Good News. Please could they bring a donation of £1 to raise money for Mission Together www.missiontogether.org.uk who help children living in poverty overseas.

Simonsbath

Last week, Class 6 had a fantastic time on their residential trip to Simonsbath. They all participated in a wide range of activities such as Archery, Stream-Scrambling, Orienteering, which they thoroughly enjoyed and learnt new skills. A few children learnt to ride a bike for the first time and everybody got very wet! As always, a wonderful way to round off our year together.

All Saints Craft Group

We meet on the first Saturday of the month at St Agatha's Church Hall, Dawlish between 10-12.00hrs to try our hand with a craft activity. It is open to any age group but children need to be accompanied by an adult. Refreshments available. We have only just started so we are developing ideas, but in the future plan to do candle making, card making etc.

LOVING 13th Sunday in Ordinary Time Year C

“Do not be afraid of making decisive choices in life. Have faith; the Lord will always be with you!”

Pope Francis

First Holy Communion

Please remember in your prayers the children will be making their first Holy Communion this Saturday at **St Agatha's in Dawlish**. Please also pray for their prayer sponsors who have supported them in their journey.

Invitation to the next Heart Which Sees Meeting

Thank you to all those lovely people who attended our 'Heart Which Sees' meeting, with Fr Mark, David Wells, parents, grandparents, carers and staff. It was an extremely enjoyable and fruitful meeting which identified the way forward for our group.

Our next meeting will be at The View Café, Pavilions, Teignmouth **next Tuesday 28th June from 9.30-11am**. Please let the School Office know ahead of the date if you wish your child to be supervised in our Foundation Stage Unit during the meeting.

Sharing Sunday's Gospel

This Sunday we hear how Jesus headed for Jerusalem. On his journey he met some people who wanted to follow him. Jesus told them that if they chose to follow him, it would not be easy.

Jesus said that there would be nowhere comfortable to stay on their journey. He said that animals have their own houses – foxes have holes and birds have nests, but that he didn't have a nice house to live in. He must travel and he wasn't sure where he would end up sleeping each night.

How would you feel if you had to leave your home behind and you didn't know where you'd be sleeping tonight?

For many children and adults who are refugees this is what happens. Refugees are people who have to leave their home to save their lives or to keep their freedom. They do this because their country is no longer keeping them safe.

How do you think we could show mercy to refugees? How can you show mercy to other people who are closer to you and who are in need?

We have asked the children to come home and share all that they have heard and thought about. Perhaps as a family discuss ways to show mercy to those in need in the coming week.

Our school value this month of June is to **say sorry**.

Have a wonderful weekend everyone.
