Data Collection Sheets

You should have received a copy of the contact details that we hold on file for your child. This is for you to check and update. Thank you to all Parents/Carers who have returned their forms already. Please note we do need a form back for each child so please make the amendments on each page you are given and return to School as soon as possible.

School Photographs

The School Photographer will be visiting **next Tuesday 27th September** to take individual photos and family group photos. Family photos (for non-school siblings to join in) will be taken at 8.30 am until 9.00am. Please come in to reception before 8.30am to be taken up to the hall. Family photos of siblings that are all pupils at the School, will be taken later in the morning.

Parent Governor Vacancy

One of our Parent Governors recently resigned from the School Governors so we have an opportunity for a Parent to join the Governing Body. We have sent out letters this week to let you know who is eligible and how to let us know you wish to apply etc. If you are interested, please complete the form and return to the school office as soon as possible.

Scholastic Book Fair

Our bi-annual Scholastic book fair arrives on **Wednesday 28th September until Tuesday 4th October** and will be open every day **in the library from 3.15-4pm**. Our newly appointed librarians from Class 6 will be on duty to help and advise children and parents on their book choices and complete sales transactions. We earn commission for our school based on the sales so the more we sell, the more books we can purchase for our children. If you are unable to attend but would like to purchase a book, please complete the order form and return it to Mrs Kendall and she will process the order. This may take a couple of days depending on the stock we have. Thank you for your continued support at our book fairs and we look forward to seeing you there.

Harvest Breakfast

Thank you to all those who joined us for our Harvest Breakfast. Around 100 children, parents, carers and friends shared a breakfast of croissants, fruit loaf, fruit and juice in the hall. It was a lovely way to begin our school day. This was followed by a harvest assembly where we gave thanks for all we receive from God's bounty.

Heart Which Sees Project

Thank you to all who supported and attended our Harvest Family and Friends Breakfast this week in the school hall as well as our Harvest Assembly. The hall was completely filled with the sounds of joy and laughter. It was a fabulous sight to behold.

Gospel Reading This Week

This weekend we hear the story of two men, one of whom is rich and feasts every day on good food. The other man, Lazarus, is poor and he longs for something to eat. This story helps us to see how we should treat one another.

The rich man in the story wears fine clothes and feasts every day on the best food that he can get. He has more than he needs. Lazarus sits outside the rich man's gate. He is poor and he is hungry. He wishes that he could eat the leftovers that fall from the rich man's table.

I wonder how Lazarus feels about being ignored while the rich man eats his tasty food?

What do you think about how the rich man treats Lazarus?

What do you think the rich man should do? What do you think you would do?

God created the world with enough food for everyone. But we are not sharing fairly. Some of us are like the rich man and we have more food than we can eat. Some of us are like Lazarus, and go to bed hungry every night. You might like to ask your child "How does hearing this make you feel? What do you think we can do to make sure everyone has enough to eat?"

Every single person in the world is special. We are all loved by God. And every single person in our big global family has the right to enough food to live a healthy life. But some of us aren't able to get enough food. This is a big problem. And it's not easy to solve. Sometimes, when something is difficult, we ignore it, hoping that the problem will go away.

We can perhaps all think of a time when we've hoped a problem would just go away? The rich man in Jesus' story is a bit like this. He ignores Lazarus, even though Lazarus is right outside his gate and he walks past him every day. I am sure we can all think of a lesson we can learn from this story today.

The weekly award given out to children across the school uses the language on the poster at the side here because this is how we feel our children can best demonstrate how they are trying to live out the values we aspire to show others, through their words and actions. This year we will be trying to show how we can all have 'A Heart which sees- this heart sees where love is needed and acts accordingly.' The children will be working extra hard to think about others and how we can show our love and mercy to all we meet.

PLEASE consider coming to our *Cake and Conversation* meeting next week on Tuesday 27th September from 10am to 11.30am for a quiet moment of calm in your day.
