BAMBINELLI SUNDAY

The tradition of blessing the babies or Bambinelli on Gaudete Sunday is best summed up in [the words of Pope Benedict, from 2009](#): The blessing of the "Bambinelli" [Baby Jesus figurines] as they are called in Rome, reminds us that the crib is a school of life where we can learn the secret of true joy. This does not consist in having many things but in feeling loved by the Lord, in giving oneself as a gift for others and in loving one another. Let us look at the crib. Our Lady and St Joseph do not seem to be a very fortunate family; their first child was born in the midst of great hardship; yet they are full of deep joy, because they love each other, they help each other and, especially, they are certain that God, who made himself present in the little Jesus, is at work in their story. And the shepherds? What did they have to rejoice about? That Newborn Infant was not to change their condition of poverty and marginalization. But faith helped them recognize the "babe wrapped in swaddling clothes and lying in a manger" as a "sign" of the fulfilment of God's promises for all human beings, "with whom he is pleased" (Lk 2: 12, 14).
